### 1. Dates and Schedule

Official Arrival:	July 13, 2016
Official/Pre-Event Training:	Please see <u>Appendix A</u>
Annual Section Meeting:	To be determined at meeting prior to start of match
Competitions:	July 14–19, 2016
Official Departure:	July 20, 2016

## 2. Rules and Regulations

The 2016 Canadian International Trapshooting Championships will be conducted according to the ISSF Rules and Regulations, Edition (2013 Edition 3rd print 01/2015). Detailed information is available on the ISSF website at [www.issf-sports.org](http://www.issf-sports.org).

The Jury reserves the right to make exceptions to the Rules as and when necessary. All changes will be announced in writing and posted at the range clubhouse.

The Chief Range Officer (Equipment Control, Classification and Appeals) are designated by the Shotgun Section to supervise the 2016 Canadian International Trapshooting Championships, and major officials will hold a valid ISSF Shotgun A or B level referee or judge license.

The Chief Range Officer will coordinate with the match director to select an appropriate number of jury members. Selected jury members should be familiar with the ISSF shooting rules and be an experienced athlete, official and/or competition staff.

The Chief Range Officer will also verify with the match staff that the targets and computers used for the competition are in working order and that the targets are set according to the ISSF Rules and Regulations.

All shooters are expected to serve as sideline referees. If scheduled for the next round, there will be at least a 20 minute break between flanking and shooting. If an athlete fails to act as a sideline referee when he/she is required to do so, they shall be penalized as per the ISSF Rules.

An up-to-date program schedule (with changes to time or added information) will be posted in the clubhouse and posted to the following web site: <http://winnipegtrapandskeet.com> prior to the match.

Equipment control, if conducted, will be conducted according to the ISSF Rules and Regulation (9.4.1) using approved instruments.

**Targets:** The shooting range for Trap/Double Trap is equipped with International orange targets (Lawry/White Flyer) for qualification and finals.

**Protests:** Warnings/penalties will be given according to the current ISSF Official Statutes, Rules and Regulations. Protest forms will be available in the entry office.

**Protests** will be handled by the Jury. Cost is \$50.00 each.

The Jury's decisions are **final**.

Non-medical use of drugs, or the consumption of alcohol is not permitted anywhere on range property. Random doping tests for any competitor are possible at any time. Please see the SFC website for the SFC Policy on Doping in Sport.

The Canadian Centre for Ethics in Sport (CCES) may conduct anti-doping testing and controls at these Championships. Participation in this competition constitutes a willingness to undergo testing if selected. (Reference I.S.S.F. Anti-Doping Rules item 5.6.5)

### 5. Finals

Semi-final and medal match in Trap and Double Trap will be shot according to Edition 2013 (Third print 01/2015) of the ISSF Rules and Regulations format, with the following exception:

**Exception:** Scores from the qualification rounds will be added to the scores in the semi-final round to determine which athletes will compete in the medal round.

The top 6 Canadian shooters in all Trap and Double Trap events (including juniors) will be invited to participate in the semi-final and medal matches.

Only Canadian citizens will be eligible for the semi-final and medal matches.

The top 2 shooters from the semi-finals will advance to the gold medal match in each event. The third- and fourth-place athletes from the semi-finals will advance to the bronze medal match in each event.

Scores in the medal round will start at zero (0). No previous scores will carry over to the medal round.

The National Champion in each ISSF event will be determined by the results of the Gold Medal Match (final).

A junior may not be excluded from a final in any event from which he/she has qualified.

## 6. Awards

Only one (1) trophy per event can be awarded. In a situation where an athlete qualifies for more than one (1) award, the highest placing will be awarded to the athlete.

For example: A junior who places runner-up in a junior event may not receive this award if they win the senior final.

All awards will be presented by CIT after the competition has concluded.
